ABOUT GS1 MAURITIUS

Ever heard of GS1 ?

An international neutral, not for profit standards organisation, GS1 principal objective is to help companies do business across the world.

GS1 Mauritius is the only official GS1 organisation in the island since 1994, through The Mauritius Chamber of Commerce and Industry's initiative. We administer the GS1 System, including the allocation of unique GS1 Barcodes. Our membership consists of business sectors, ranging from retail, apparel, agriculture, healthcare, to transport and logistics.

SECTORS THAT WE SERVE

RETAIL

Supporting the Retail industries for a seamless experience

GS1 has a long history with retail and the ubiquitous beep of the GS1 barcode is heard at store checkouts 6 billion times a day worldwide.

GS1 Standards enable unique identification of your products, providing accurate product data that retailers and customers can trust.

HEALTHCARE

Safer, more efficient care starts with a simple scan.

GS1 works with healthcare providers and suppliers to provide improved patient safety, greater regulatory compliance, improved traceability of medicines and drive operational efficiencies.

LOGISTICS

GS1 Standards offer visibility of the goods moving from source to customers.

Manufacturers, retailers and logistics services providers need to know exactly where their shipments are at any time, where they have come from and when and where they are due to arrive.

SIMPLE STEPS TO GET YOUR GS1 BARCODES

1. Become a member of GS1 Mauritius
2. Obtain a unique GS1 Global Company Prefix (GCP) – your ticket to national and international trade
3. We assist you in creating your GS1 barcodes and implementing GS1 Standards
